**INFORMATION DISCLOSURE  
STATEMENT UNDER 37 C.F.R. §§1.56 & 1.99**

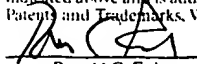

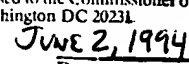

Dear Sirs:

This Information Disclosure Statement follows the April 22, 1994 filing of Applicants' Amendment Under 37 C.F.R. §1.115. On page 6 of that Amendment, Applicants' undersigned attorney indicated that art-related documents were being assembled for inclusion in an Information Disclosure Statement.

Applicants have now completed retrieval and assembly of the documents in question. Accordingly, pursuant to the provisions of 37 C.F.R. §1.99 and in full compliance with their duty of disclosure under 37 C.F.R. §1.56, Applicants, through their attorney, are bringing the following forty-seven (47) documents (Exhibits 1-47) to the attention of the U.S. Patent and Trademark Office and the Examiner:

Of the forty-seven (47) above-submitted documents, twenty-five (25) documents (Exhibits 1-25) were cited in the instant specification and/or in the specifications of predecessor applications (see footnotes to exhibits for further information), and nine (9) documents were made of record during the prosecution of predecessor applications (Exhibits 26-34). In addition, three (3) documents (Exhibits 35-37) were cited by the European Patent Office in search reports for the corresponding European applications, namely:

- a) European Patent Application No. 84100836.0, filed January 1, 1984 (granted as European Patent No. 0 117 400 B1 on April 7, 1993) (Exhibits 35-36); and
- b) European Patent Application No. 92114727.8, filed August 28, 1982 (Exhibit 37).

Finally, ten (10) documents (Exhibits 38-47) were cited by two separate parties in oppositions filed recently against European Patent No. 0 117 400 B1. Although the opposers' statements have not been submitted, copies will be provided to the Examiner upon request.

Completed Forms PTO-1449 (5 sheets) listing the above-submitted documents are also attached hereto as Exhibit 48.

The above citation of references is not a representation that these documents constitute a complete or exhaustive listing, nor that the above listing necessarily includes the closest or most relevant references, nor are these documents necessarily a complete listing of all references known to Applicants or their attorney. It is simply a voluntary citation of references made in good faith,

which is not intended to serve in any way as a substitute for the Examiner's own search or search efforts.

In view of the general and specific features described and claimed in the present application, Applicants respectfully submit that the present invention is neither suggested nor disclosed by the documents referred to above and is thus patentably distinct thereover. Applicants do not believe, and do not submit, by the citation of these references, that these references, either by themselves or in combination with other references, render the invention *prima facie* obvious under the new duty of disclosure rules.

Applicants respectfully request that the Examiner make the above-submitted documents of record in the instant application. Applicants further request that the Examiner consider these documents as any of them may relate to the instant application.

The fee under 37 C.F.R. §1.17(p) for filing this Information Disclosure Statement is \$200.00. The Patent and Trademark Office is hereby authorized to charge the amount of this fee (and any other fees in connection with this IDS) to Deposit Account No. 05-1135, or to credit any overpayment thereto.
